

Our Vision

“Growing & Learning Together!”

At Totley All Saints Church of England Primary School, we aim to be an exceptional school with Christian values at the very heart of the community. We are committed to providing a caring environment where every child can thrive & is supported to achieve their unique & amazing potential as a child of God.

An exceptional school is one that:

- Establishes excellent values & ethos;
- Ensures that relationships & behaviour are outstanding;
- Raises achievement & attainment to the highest possible levels;
- Proves that learning & teaching are of a consistently high standard.

At Totley All Saints, education will be holistic & fun filled. In a calm & well-ordered environment, based on love & mutual respect, all children will be valued as individuals & their moral & spiritual development encouraged. The school will promote good health & fitness, perseverance, optimism & a “can-do” attitude in all. We believe that every child is entitled to enjoy their childhood & to feel safe & loved. We will celebrate each child’s success & encourage them to take pride in their own, as well as others’, achievements. We will engage children in a creative curriculum that is tailored to their needs & reflects the context & community in which they live. At all times we will seek to inspire children with a love of learning which will remain with them throughout their lives.

Together with our parents, churches & wider community, we aim for all children to succeed in body, mind, heart & spirit. Children will have opportunities to work both individually & collaboratively, giving them confidence, skills & the self esteem needed to be successful in a rapidly developing world. In order to fulfil the vision, we will seek to constantly adapt & improve, listen to parents & children & have ongoing reflection & debate amongst stakeholders.

Our Mission:

In pursuing our Vision, we believe that we can develop future citizens that we can all be proud of & people that make a difference both to their community & to their world. We also believe that everyone in our school community deserves to be valued & cared for completely, equally & unconditionally. Through an awareness of understanding the rights of others, we will promote individual & collective responsibility towards respecting & protecting the rights of all, regardless of race, religion, age or ability. Together, we will work to develop a healthy & caring community where we can articulate our values & all children have a sense of their personal identity & worth.

Our Values:

We actively seek to promote the teachings of Jesus & particularly: *“Do to others what you would have them do to you.”* We will uphold the principles of justice & compassion for all, forgiveness & generosity and will encourage all children to work for the good of others rather than for their own self interest.
