**Monday 29th June – Friday 3rd July**

**Maths**

Good morning. Like last week, we are following White Rose maths but not the work on the worksheet! Follow the link below for the video and the worksheet is attached separately.

Today you are looking at multi-step addition and subtraction problems. Remember to work through the problems one step at a time. Here is the video link.

[https://vimeo.com/428001969](https://vimeo.com/428001969)

For a challenge have a go at this:

A milkman has 250 bottles of milk.

He collects another 160 from the dairy, and delivers 375 during the day.

How many does he have left?

**My method:**

\[ 375 - 250 = 125 \]
\[ 125 + 160 = 285 \]

Do you agree with Tommy?

Explain why.

**Reading**

Reading on a separate document for this week – have a look for it! It all links to your English so you must complete it before English each day!

**English**

You are going to create a nature journal this week.

Be creative......

Here are a few examples to inspire you. Remember to use all the different grammar and spag techniques you learnt last week.

**Tree Facts**

Create the first page of your nature journal about a tree of your choice. Try to include pictures, photographs, leaves, bark rubbings and key facts. Below are some ideas to help you get started

**Topic for Monday – Music**

Follow the link to complete week 5 of the music at home from Sheffield Music Hub. I know the link says week 4, but I think this is a slight mistake because it does take you to week 5!

Remember to pick up your cornet from school and if your parents want you to carry on playing, they need to give permission to the office for Mr Knowles to use their email address.

Remember, as well as daily activities we would like you to do the following:

- 20 minutes of reading
- Times tables practice (e.g. Times tables rock stars)
- 60 minutes of exercise over the day
Good Morning Year Five!

Maths
Good morning. This morning’s maths is looking at line graphs. Today you are looking at reading and interpreting line graphs. Remember to use a ruler to help you read the graph accurately and watch the videos to help you. Here is the link.
https://vimeo.com/428002041

Here’s a challenge to have a go at:

8a. Eva made a mistake when she plotted her line graph. Where do you think the mistake was made? Convince me.

English

Bird Watching
Become a bird spotter. Use the identification key or the interactive bird spotter on the RSPB website

Which birds come near your house or into your garden? Can you create a bird watcher’s log for your journal? Try to include information about the bird’s size, habitat, food, migration, nests, call (bird song) and appearance.

Topic for Tuesday – PE

Remember, as well as daily activities we would like you to do the following:
20 minutes of reading
Times tables practice (e.g. Times tables rock stars)
60 minutes of exercise over the day
Good morning Year Five!

**Maths**

This morning we are continuing with line graphs. Today we are going to practice drawing line graphs. Remember to use a ruler so that your work is accurate. Here is the link to the video.

https://vimeo.com/428002106

Here is a challenge for you to have a go at.

Rosie has used the data in the table to plot the line graph.

<table>
<thead>
<tr>
<th>Time</th>
<th>1100</th>
<th>1120</th>
<th>1140</th>
<th>1150</th>
<th>1200</th>
<th>1210</th>
<th>1220</th>
<th>1230</th>
<th>1240</th>
<th>1250</th>
</tr>
</thead>
<tbody>
<tr>
<td>Height above ground (m)</td>
<td>0</td>
<td>80</td>
<td>120</td>
<td>200</td>
<td>200</td>
<td>120</td>
<td>80</td>
<td>0</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

What mistakes has Rosie made?
Can you draw the line graph correctly?

**English**

Wild Flowers

Draw, photograph or copy an image of a favourite wild flower – annotate your drawing to show all the parts of the plant. Include some facts about where your plant could be found, when it flowers, how its seeds are dispersed.

You could do some pressed flowers. Watch the YouTube link below:

https://www.youtube.com/watch?v=A_OYCbqRzzo

**Topic for Wednesday – Woodland Workshop**

Have a go at this 2D & 3D shape challenge!

Upload the shapes you have made onto Class Dojo

Remember, as well as daily activities we would like you to do the following:

- 20 minutes of reading
- Times tables practice (e.g. Times tables rock stars)
- 60 minutes of exercise over the day
Monday 29th June - Friday 3rd July

**Good morning Year Five!**

**Maths**

Today we are building on your line graph work to look at solving problems using line graphs. Remember to keep your work accurate!

[https://vimeo.com/428002182](https://vimeo.com/428002182)

Here is your challenge:

Here is a line graph showing a bath time.

- Can you write a story to explain what is happening in the graph?

![Line graph](image)

- How long did it take to fill the bath?
- How long did it take to empty?
- The bath doesn't fill at a constant rate.
- Why might that be?

Consider the following:

- 20 minutes of reading
- Times tables practice (e.g., Times tables rock stars)
- 60 minutes of exercise over the day

---

**English**

**Mini Beast Hunt**

Learn to use an identification key. Go on a mini beast hunt. Log your findings and add them to your nature journal.

![Mini Beast Hunt](image)

**Topic for Thursday**

Following on from the English work, have a go at making a bug hotel somewhere in your back garden.

Among the attached sheets this week are some ideas.

Remember to send us a photo of what you have made on dojo, we love to see what you've been up to.
Good morning Year Five.

Happy Friday!

**Maths**
Let’s have a break from White Rose this Friday. Log onto your Classroom secrets account and have a go at the arithmetic test number 3. Remember to use a pencil and paper for any jottings you may need.

**Reading**
Free Reading - From your reading book, pick 10 wow words/nouns/verbs etc. and then put them into alphabetical order.

**English**

**Complete your nature log.**
You need to add a front cover and contents page.
Take a photograph of your completed nature log and share your pages on Class Dojo portfolio. I will set this up ready for this lesson!

**Topic for Friday**
Have a look at the RSPB website, the link is below. Look at their guide to birdwatching and create a poster advising people of the best way to bird watch.
You could even have a go at setting up an area in your garden to bird watch from.
Remember to share any photos on dojo!

Remember, as well as daily activities we would like you to do the following:
20 minutes of reading
Times tables practice (e.g. Times tables rock stars)
60 minutes of exercise over the day (can highly recommend Joe Wicks and his live PE lesson every weekday morning at 9am on his YouTube channel!)
