

Why TASS Should be

Your First Choice of School

Just ten reasons (there are actually so many more) as to why you should make TASS your first choice of school...

Do you want a school where:

- ✓ Children are happy, loved & well cared for?
- ✓ Pupils are supported as part of our TASS family to achieve their personal, unique & amazing potential?
- ✓ Children are known by name to everyone else due to there being just one class in each year group & no mixed age classes?
- ✓ There is a tangible feeling of excitement, confidence & a love of learning across school?
- ✓ The environment includes expansive green spaces, play areas, a forest school & the curriculum has a massive emphasis on outdoor as well as indoor learning?
- ✓ Pupils' attainment is 'exceptionally high' & 'all groups including disadvantaged, those who have special educational needs & the most able make rapid progress.' (OFSTED)
- ✓ Children succeed in all areas & have wider enrichment opportunities through: music, performance, sport, visits, visitors, residential, global & charitable events, focus days & weeks?
- ✓ 'Pupils are extremely well prepared for the next stage of their education' (OFSTED) & develop as excellent citizens of the world through a fantastic programme of Spiritual, Moral, Social & Cultural Development?
- ✓ Every aspect of school (five out of five) was judged as outstanding by OFSTED?
- ✓ The present, serving Headteacher is the same one who was judge under the school's last OFSTED inspection?

If your answer is yes, then you need to choose us!
