Christmas Experience!

What a fabulous morning we have had at the Christmas Experience!

Reception, Y2, Y4 and Y6 visited Totley Hall Church where the children were transported back in time to when Jesus was born. They went on a journey and met lots of the characters from the Christmas story.

Thank you to Ben and the wonderful actors that brought the nativity to life.

UDOIT Dance Festival 2023!

Written by Marcia, Hendrix and Inaya

The UDOIT dance festival was amazing! When we got on the coach it was a very long ride there but when we finally arrived I had butterflies in my stomach. When we all walked in our jaws dropped because the stage was so big. Then when the other schools finished their practice we went on to the stage.

When the music started I knew it was our time to shine and I felt really confident. I did the splits I felt like I was the star of the show. We walked off the stage and the crowd went wild, cheering their hearts out. Once all the schools had been on the parents had their chance to do their thing. All my nerves came back as there were so many. When they called Totley my heart went a million times a hour and my legs were shaking. We got in our positions for the big show, we all looked at each other and smiled. When the beat started my heart pounded so fast I couldn't stop it. The audience started to clap to the beat, it felt like I was a professional street dancer. When we finished we were all so proud and felt so happy with ourselves. Finally we sat down for the awards. I got very excited. When he announced the first 2 awards my hopes went down as it wasn't us, however then they announced the winner for the school that had made the most progress and that was us, we had won!

LATES

40% of TASS children have arrived late at in the morning at least once this week.
That's 84 children that have missed out on the start of their learning.

We recognise and are mindful that occasionally there are genuine reasons, however children should be in school ready to learn at 08:50am. It can cause significant impact on the child who is then having to walk into their learning which has already started for all other children. Not only this, it can cause significant impact on the office staff. Please make sure your child is at school on time.

Cross Country Club

report by Jacob (Y6)

Our school has set up a cross country club to help train all of our amazing runners if they would like to develop their running skills. This takes place every Wednesday lunchtime. All are welcome to come and we would love it if they could join us on our next cross country race! Last time the club ran they had an amazing 30 runners and we can't wait to see all of them at our next event! The event is after Christmas, but the club will still run every Wednesday.

- * We are really sad to see Mrs Foster will be leaving us at the end of the term. I know this has been a really hard decision for her and she will be hugely missed at Totley All Saints, but we wish her every success in the future.
