

Permission Slips

Local Trips within the City of Sheffield

Each class participates in local trips from time to time, and for this we need permission from parents.

I / We give permission for to participate in local trips within the City of Sheffield. I understand that I will be kept fully informed about every visit well in advance and that all the necessary Health and Safety procedures will be carried out before and during the visit.

Signed Parent / Guardian Date.....

Permission for the Application of Sun Cream for a child in FS2/Reception to Year 2.

During the summer months we expect children to have a sun cream applied before they come to school. But during particularly hot days, it may be necessary to re-apply sun cream to our very youngest children. Year 3 to Y6 pupils can apply sun cream to themselves if necessary.

I / we hereby give permission for a member of staff to apply a high factor / hypo allergenic sun cream if deemed necessary.

Signed..... Parent / Guardian Date.....

Please sign and date the above permission slips as soon as possible and return to the school office.

Thank you
