

## RE CURRICULUM - INTENT

### School Vision:

At Totley All Saints Church of England Primary School, we aim to be an exceptional school with Christian values at the very heart of the community. We are committed to providing a caring environment where every child can thrive & is supported to achieve their unique & amazing potential as a child of God.

### Subject Curriculum Vision:

Our aim is that Religious Education will provoke challenging questions about the meaning and purpose of life, beliefs, the self, issues of right and wrong, and what it means to be human. It develops students' knowledge of Christianity, Judaism, Hindu Dharma, Islam and other World views that examine these questions, fostering personal reflection and spiritual development;

Encourage students to explore their own beliefs (whether they are religious or non-religious), in the light of what they learn, as they examine issues of religious belief and Faith and how these impact on personal, institutional and social ethics; and to express their responses. This also builds resilience to anti-democratic or extremist narratives;

Enable students to build their sense of identity and belonging, which helps them flourish within their communities and as citizens in a diverse society;

Teach students to develop respect for others, including people with different faiths and beliefs, and helps to challenge prejudice;

Prompt students to consider their responsibilities to themselves and to others, and to explore how they might contribute to their communities and to wider society. It encourages empathy, generosity and compassion;

Develop a sense of awe, wonder and mystery.

### Our Curriculum for our Context:

Totley All Saints is situated in a semi-rural setting on the edge of the city of Sheffield and close to the Peak District. Our school is a smaller than average school with 212 pupils on roll aged 4-11 yrs. The ratio of girls to boys is higher than the national average & the proportion of pupils eligible for free school meals is much lower than average. A lower-than-average number of pupils come from minority ethnic backgrounds & the school is predominantly White British. The school now has a near to average number of children categorised as SEN with Support as well as children with a Statement of SEN or EHCP. Pupils typically enter FS2 either below or at least in line with national in Reading, Writing & Maths.

Totley All Saints joined DSAT (the Diocese of Sheffield Academy Trust) in 2019. Our Curriculum reflects the ethos & aims of the school as well as the context from which our children derive.

This means that our curriculum provides the necessary building blocks to develop the necessary knowledge & skills, whilst also promoting British Values, healthy lifestyles & mental wellbeing, plus excellent behaviour & attitudes. It is underpinned with a large emphasis on SMSC development, a strong practical outworking for others in line with our Christian ethos, whilst also building character & readiness for the next stages of education & the learning journey beyond.

## RE CURRICULUM - IMPLEMENTATION

Breadth and depth in RE for all pupils can be achieved if the following are taken into account:

- Pupils should develop understanding of concepts and mastery of skills to make sense of religion and belief, at an appropriate level of challenge for their age.
- RE should provide opportunities for pupils to develop positive attitudes and values and to reflect and relate their learning in RE to their own experience.
- Building on the statutory requirements, it is recommended that there should be a depth of study of religion and belief across the key stages as a whole.
- All religions that are studied should be studied in a way that is coherent and promotes progression.

- Pupils should have the opportunity to learn that there are those who do not hold religious beliefs and have their own philosophical perspectives, and subject matter should facilitate integration and promotion of shared values.
- The study of religion should be based on the legal requirements and provide an appropriate balance between and within Christianity, other principal religions, and, where appropriate other religious traditions and worldviews, across the key stages as a whole, making appropriate links with other parts of the curriculum and its cross-curricular dimensions.
- The breadth of study should take account of the four levels of community cohesion which all maintained schools are now obliged to promote. Decisions by SACREs and ASCs about the religions, other than Christianity, to be studied should take account of the balance of religion within: the school community, the community within which the school is located, the UK community, the global community.

## RE CURRICULUM - IMPACT

- Children enjoy learning about other religions and world views and why people choose, or choose not to follow a religion.
- Through their RE learning, the children are able to make links between their own lives and those of others in their community and in the wider world, developing an understanding of other people's cultures and ways of life. As such, RE is invaluable in an everchanging world to equip our children to engage fully within it.
- Lessons, worship and special days all have a direct impact on children's lives and the ethos of the school.

<p>We endeavour to ensure that the sequence of content enables our children to progress whilst they are with us but also to provide the building blocks necessary to build on at secondary school &amp; their learning journey beyond. Underlying all of this is our emphasis on Learning Culture which provides the underlying principles of attitude, resilience &amp; character.</p>	<p>Our aim is that no child is disadvantaged by their background situation &amp; that, as a school, we provide everything that a child needs so that there is no cumulative dysfluency or gaps in learning. As a result, we ensure that children have a broad range of curriculum experiences, free access to a wide variety of books and other resources. Multiple opportunities to speak as well as listen, plus our curriculum is designed in order to boost general as well as subject specific vocabulary. We have high expectations of all children in RE, high quality teaching and excel in supporting all areas of a child's development and character skills that underpin learning.</p>	<p>Through our rich &amp; varied curriculum, we ensure that our children are well equipped for life in modern Britain &amp;, through subject linkage have an excellent understanding of Democracy, the Rule of Law, Responsibility &amp; Liberty, Mutual Respect plus Tolerance of those of different faiths and beliefs. Our Curriculum is driven by SMSC Development &amp;, as a result, pupils thrive – enjoying their lives, learning &amp; want to make a difference for others.</p>
