

KEEPING CHILDREN SAFE IN EDUCATION WHAT YOU NEED TO KNOW

A child means everyone under the age of 18.

Children need the right help at the right time to address risks

Remember 'it could happen here' where safeguarding is concerned.

We are all responsible for the welfare of children and keeping the environment safe, whatever our job.

What is safeguarding?

The definition of a safeguarding is: • providing help and support to meet the needs of children as soon as problems emerge protecting children from maltreatment, whether that is within or outside the home, including online • preventing the impairment of children's mental and physical health or development • ensuring that children grow up in circumstances consistent with the provision of safe and effective care • taking action to enable all children to have the best outcomes.

What do I need to do?

ALWAYS ACT

in the best interests of the child. Never promise confidentiality.

KNOW HOW

to identify children who may benefit from early help.

KNOW THE DIFFERENT

types of abuse and neglect, so that you can identify children who may be in need of help or protection.

Know what to do if a child tells them he/she is being abused or neglected.

Know who the Designated Safeguarding Lead is and talk to them as soon as you are concerned.

Keeping Children Safe in Education Part One and Annex B.
Child protection policy
Staff behaviour policy

Any staff member can make a referral to children's social care, but they should inform the designated safeguarding lead as soon as possible.

If a teacher finds Female Genital Mutilation appears to have been carried out on a girl under the age of 18, the teacher must report this to the police.

All concerns, discussions and decisions made and the reasons for those decisions should be recorded in writing.

Staff Behaviour

If you are concerned about the behaviour of any staff member, you should speak to the headteacher. Concerns about the headteacher should be referred to the Chair of Governors.

Whistleblowing

If you're worried about poor or unsafe safeguarding practices, or potential failures in the school, talk to the Designated Safeguarding Lead, any senior leader, or the Chair of Governors. If you feel unable to talk someone in school, you can call the NSPCC whistleblowing helpline on 0800 028 0285 or [email: help@nspcc.org.uk](mailto:help@nspcc.org.uk).
